Chief Dilallo,

It is our understanding that the Board of Commissioners would like to open Districts 6 Collective Bargaining Agreement, more specifically Article 7, and increase the percentage raise to 5 percent retroactive to October 1, 2019 for the fiscal year beginning October 1, 2019.

The Union's position is that we will waive our right to bargain and accept the extra one percent increase. Please let me know how you would like to proceed.

If you have any questions, please contact me at 699-7304.

Respectfully,

Henry Garcia
